

Career Guidance Report

This certifies that **Lorraine Frier** with email address: **frierlorraine@gmail.com** has completed our Career Guidance Report Test on **10th Feb 2022** with the following results:

We hope that he/she is now one step closer to finding the perfect career for him/her as an individual. The results on the assessments taken are listed below.

IQ Test Assessment

IQ Test Assessment. Your score was 144 out of 150

An IQ test I.Q. (intelligence quotient) in general is an assessment of your ability to think and reason. An IQ test is a standardised way to compare your mental abilities with the abilities of others.

For your reference, see the results below that gives you an idea as to where you stand when compared to others on a worldwide basis.

70 - 84 Below average

85 - 114 Average (68% of test takers)

115 - 129 Above average

130 - 144 Gifted (2.3% of test takers)

145 - 150 Very gifted (Less than 1% of test takers)

That concludes your Career Guidance report.

Thank you
